

## GHANA EMPLOYERS' ASSOCIATION

### CITATION

---

#### TERENCE RONALD DARKO

**You were elected President of the Association in the year 2010 for a two-year period. By dint of hard work and your able leadership, you were re-elected three consecutive times to continue to lead the organization for a total of eight (8) years which is a remarkable achievement in the annals of the Association.**

**During the period of your stewardship, you exhibited a high sense of dedication and commitment to the cause of employers by promoting a transformation agenda and strategic direction that has in no small measure, improved the public image and credibility of GEA. Your selfless dedication to the service of the Association was phenomenal and any encounter by members with you was a memorable and treasured experience.**

**You were an ardent and vocal advocate for a conducive business environment in which enterprises could survive and grow so as to engender job creation, wealth creation and a higher standard of living for all citizens. Your unflinching desire and commitment towards the development of the private sector and the informal economy was outstanding and remarkable.**

**Another landmark of your tenure was the acquisition of land for the construction of a new office building premises for the Association which you fully believe shall enhance the image of GEA and positively impact on its advocacy activities. Works have since started and GEA shall forever be grateful to you for this monumental achievement.**

**You equally succeeded in building a very strong bond of cooperation and partnership with the leadership of Organized Labour and Government which has immensely contributed to the consolidation of a peaceful industrial relations environment favourable for investment and national socio-economic development.**

**In recognition of your distinguished service and outstanding leadership, the Council and members of GEA present this citation to you as a symbol of appreciation of your meritorious service, sacrifices and sterling contribution to the progress and development of the Association.**

**DANIEL ACHEAMPONG  
PRESIDENT**
